- 2.3 No delay or failure by the Grantee to enforce performance of any covenants set out in this instrument and no indulgence granted to the Grantor by the Grantee shall prejudice the right of the Grantee to enforce any of the covenants or provisions of this instrument.
- 2.4 The Grantor shall bear any costs which may be incurred by the Grantee as a result of any default by the Grantor under this instrument.

2.5 The Grantee shall not be required to nor obliged to enforce all or any of the covenants and the Grantor shall be liable only in respect of breaches of the covenants which occur while the Grantor is registered as proprietor of the Covenanting Lot.

2.6 If there is any breach or non-observance of the covenants set out in this Instrument then the Grantor must (without prejudice to any other liability the Grantor may have to any person having the benefit of the covenants):

As a guide, the plans and specifications must generally be in accordance with the design guidelines supplied by Cabra to the Grantor upon request and must show some individual aesthetic qualities in the sole and unfettered opinion of Cabra, no simple brick and tile dwellings with a hip roof facing the street will be approved.

3.2 Not erect or place or permit to be erected or placed on any Covenanting Lot which is less than 800m² in area anything other than one dwelling house having closed in habitable living space (exclusive of carport or garage) with a floor area of at least 160m² and which must also have attached, closed in double car garaging or such other garaging that is approved in writing by Cabra at its discretion.

the property is obtained. As a guide, if the Grantor chooses to utilise bricks for the construction of the exterior cladding which faces the street from which access to the property is obtained it is unlikely that approval for 100% coverage (excluding windows and doors) will be granted by Cabra, however in respect of all other types of exterior cladding Cabra may in its sole and unfettered discretion approve 100% coverage (excluding windows and doors).
